RE: Parish Religious Education Program (PREP) registration 2024-25

Dear parent,

St. Paul's Parish Religious Education Program (PREP) is established to assure that parish children who do not attend Catholic schools are properly educated in the Catholic faith and are prepared to receive their initiation sacraments of Eucharist and Confirmation. Our records show that your child will be at least 6 years old by September 1st and is eligible to be enrolled in the PREP program.

The first year of the program introduces children to the basic truths about God, the Catholic faith and its practices. It is also the mandatory first year to prepare for the sacraments of Penance and Eucharist, which are administered during the second year of the program.

The 2024-25 PREP registration is now open*. Enclosed are the registration and tuition form. The registration form follows Archdiocesan guidelines. As you fill it out, please **skip the Family Handbook question**; I will make the handbook available to you before the opening session on September 9. The tuition form includes instructions for completing and returning the registration.

If you have any questions, you may phone/email me using the number/address below.

Sincerely,

Lucy Boardway
Coordinator of Religious Education

*If you intend to send your child to a Catholic school this year, he or she will receive religious instruction at the school. As a Saint Paul's parishioner, I urge you to continue to bring your child to Sunday Mass, as the sacraments will be administered here, at your home parish.
